

New Forest Academy of Dance

September Newsletter 2019

What a brilliant start to the new academic year! It is lovely to be back and seeing everyone again as well as welcoming all our new students! Already we have started our coaching classes and submitted entires for our exam session, run our 2nd hand sale and introduced new classes! Show forms will be out soon and we have some great events and workshops planned!

Client portal, Members area & Uniform store!

So far we are very pleased with the success of our new online features! We have had lots of great feedback, uniform can be sorted and delivered quickly to class, invoicing is in one place without having to search back through emails to find it, manage all your personal info, refresh registration and access info about the school easily with out eating into class time or having to wait for a response from the office!

Client portal

If you are an existing student/customer then you will have received an email to set up your portal and if you haven't already please do so as soon as possible as invoices are due on 29th September! New students will get this information once you have enrolled fully into the school.

Members area

If you haven't already please go to our website and go to the members section to sign up. I will need to approve your membership however the email and password you use will still stand once your membership has been confirmed. The members area gives you access to all information about the school, term dates, upcoming events, newsletters, important information, access to our policies and files to help students to prepare for examinations. You can also order uniform from the members section too!

Uniform store

This had been a great success! Only members of the school have access to this feature. There are class sections so you can ensure you are getting the right uniform and items are still delivered to class as normal. If you order a size we can still bring along bigger or smaller ones to try so you get the right fit. Everything works the same with supply of uniform however you just order it online instead of through the teachers in class which used to eat into your class time!

Please do not hesitate to contact me with any questions!

New Forest Academy of Dance

Progressing Ballet Technique

Saturday
mornings
PAYG

This innovative programme aims to enhance the classical ballet technique of dancers through alternative methods, such as use of a Pilates ball and other simple equipment. It helps students understand the principals of training muscle memory and apply this to their classical ballet class.

See, Miss Kayleigh for more info and to book!

Grade 3 - 4 from 10-11am

Grade 5 + 11 - 12noon

£6.00 PAYG

- Fitness mat - yoga ball and thera bands needed.
Please let us know if you need to borrow equipment on booking. Booking essential so we can ensure enough equipment.
